

SHREE G.S INSTUTE OF TECHNOLOGY AND SCIENCE  
DEPARTMENT OF APPLIED CHEMISTRY

NEWSLETTER

We hope this newsletter finds you well and filled with creative inspiration. We are thrilled to share the exciting highlights and achievements of our recently concluded **Poster Making Competition 2023** under the **Department Of Chemistry** held on **11 October 2023**. It was a grand success, with participants from all walks of life coming together to showcase their artistic skills and creativity.

*The atmosphere was filled with enthusiasm and creativity as participants showcased their artistic skills through their thought-provoking posters. The competition received an overwhelming response, with 175 participants showcasing their talents and spreading important messages through their artwork.*

DEPARTMENT OF APPLIED CHEMISTRY

The theme for this competition was **Poster Presentation-2023 & Kalakriti-2023**, encouraging participants to explore various social and environmental issues and express their perspectives in their creations. The range of topics covered was extensive, including climate change, gender equality, mental health awareness, and many others.

Our esteemed panel of judges faced a challenging task of evaluating the submissions and selecting the winners. Each poster was scrutinized based on its originality, relevance to the theme, visual appeal, and overall impact.

*After much deliberation, we are pleased to announce the winners of the competition*

***We would like to extend our heartfelt gratitude to all the participants for their enthusiastic participation and for making the event a grand success. We were impressed by the talent and dedication showcased by each participant, turning this competition into a display of artistry and advocacy.***

Winners	Poster Making Competition -2023	Kalakriti-2023
<b>1<sup>st</sup></b>	Disha Patidar, Suhani Khare, Ayushi Verma, Pinky Kumari, Ishika Choudhary, Janhvi Gupta, Sakshi Kanungo	Vansh Agrawal, Mahak Tyagi, Smita Mangule, Bhumika Gathwal, Yogita Patidar.
<b>2<sup>nd</sup></b>	Rimjhim Kesharwani, Pari Chhajer, Saloni Jain, Ayushi Kanoje, Atul Gupta.	Aarya Agrawal, Lakshita Jain, Harshita Balchandani, Akshata Shukla, Ishika Chhajer.
<b>3<sup>rd</sup></b>	Ansh Yadav, Sambhav Jain, Vaibhav Rathi, Shreyas Rathore, Prathmesh Kumawat, Harsh Singh.	Aarjoo Dahiya, Shivani Manram, Kartik Mehra, Mudit Klanktede.

*In addition to the top three winners, several participants received honorable mentions for their exceptional creativity and meaningful contributions.*

*Furthermore, we would like to express our gratitude to the esteemed judges for their time, expertise, and commitment to this event. Their invaluable support and insights helped in recognizing the exceptional talent and selecting the deserving winners.*

*Lastly, we extend our thanks to all the volunteers, sponsors, and organizers who worked tirelessly to make this poster making competition a remarkable event. Without their assistance, this initiative would not have been possible.*

*Once again, congratulations to all the winners and participants. We hope that this event has encouraged and inspired the artists in our community to continue using their creative voices to bring about positive change.*

*Thank you for your continued support.*

## Research work Presented

Ms. Nisha Patidar presented research work on “Current development in synthesis and characterization of carbon nanomaterials” from waste Plastic at BITS Pilani K K Birla Goa Campus during ChEmference – 2023 ( 30th September – 2nd October ).

Mr Bhautik Gohil presented research work on “Synthesis and Characterization of Cobalt Oxide Nanoparticles prepared by fuel assisted Combustion method” at BITS Pilani K K Birla Goa Campus during ChEmference – 2023 ( 30th September – 2nd October ).

Mr Prateek Gavande presented research work on “Synthesis and Characterization of Zinc Oxide Nanoparticles prepared via Combustion method” at BITS Pilani K K Birla Goa Campus during ChEmference – 2023 (30th September – 2nd October).
