Action Taken Report

Session 2023-2024

To ensure the empowerment of students, the following actions are to be taken in the curriculum:

1. On the basis of feedback received from the students, various events such as industrial visits, workshops, seminars etc. which provided them the practicality of the knowledge have been organized.
2. Various experts from different fields were invited to share their experience and knowledge to the students. This intervention helped students in various ways such as taking up the option of higher studies and taking up challenging jobs.
3. Students are also provided with the E-content, keeping in mind the technological advancements which enhance the frequency of understanding.
