Minutes of 132nd BOS meeting held online on 13th JULY, 2022 at 3:30 P.M.
The meeting was attended by

1. Dr. Rakesh Saxena, Director & Professor, EED, SGSITS.
2. Dr. H. K. Verma, Chairman BOS
3. Prof. M.P.S. Chawla, Associate Professor, EED, SGSITS.
4. Dr. Arun Parakh, Associate Professor, EED, SGSITS.
5. Dr. Sandeep Bhongade, Associate Professor, EED, SGSITS.
6. Dr. Shailendra K. Sharma, Associate Professor, EED, SGSITS.
7. Prof. Sukhlal Sisodiya, Assistant Professor, EED, SGSITS.
8. Prof. Ravindra S. Mandloi, Assistant Professor, EED, SGSITS.
9. Dr. Ram Niwas, Chief Engineer, Indian Railway.
10. Prof. Trupti Jain, Electrical Engineering Department, IIT, Indore.
11. Mr. Manoj Modi, Head R & D Division, Shakti Pumps.
12. Prof. S.D. Sharma, Electrical Engineering Department, SVNIT, Surat.

Meeting was not attended by

1. Dr. R.D. Patidar, O.P. Jindal University, Raigad.

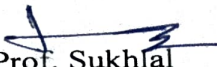

The minutes of BOS are,

- I. Major change in subject PC EE42008 Power Systems-II (VII Sem) suggested by Dr. Sandeep Bhongade have been discussed and recommended. Revised syllabus is attached herewith.
- II. Dr. Shailendra K. Sharma has suggested minor changes in subjects EE32510 Hybrid energy systems (VI Sem) and subject EE42602 (Elective-IV) discussed and recommended. Revised syllabus is attached herewith.
- III. One Elective subject of Electrical Safety is proposed in Sem VII as Elective V.
- IV. One audit course on Environment Science is proposed in Sem V.
- V. Dr. Arun Parakh presented minutes of 8th DPAQIC and explained CO/PO attainment process of department to external member.
- VI. The meeting was ended with vote of thanks to external members of BOS.

3. Dr. R. D. Patidar. Vice Chancellor O.P. Jindal University, Raigarh. Chattisgarh

The recommendations of BOS are,

- I. Dr. Arun Parakh presented recommendations of 9th DPAQIC held in the department on 13th Dec. 2022 in the BOS and BOS approved the same.
- II. The discussion of NEP 2020 for the B. Tech programme was held in the meeting and members shared their views.
- III. A thorough discussion on multiple exits of students after successful completion of 1st year and 2nd year in the institute.
It was decided that no change in the existing scheme of B. tech. in electrical engineering is required. However, to provide an engineering certificate in electrical engineering after successful completion of 1st year duration, students must earn credit any one from following to allow the exit with certificate.

For Engineering Certificate:

- a. Electrician
- b. Winder
- c. Substation operator

15/12/2022

- d. Solar power system operator
 - e. Battery operator
- However, to provide a Diploma in electrical engineering after successful completion of 2nd year duration, students must earn the credit any one suggested threads to allow the exit with diploma.

For Diploma:

Thread 1: Power Electronics with labs including Major project

Thread 2: Power system covering generation, transmission, Distribution, Fault and System Protection with labs including Major project

Thread 3: Utilization of electrical energy covering Electrical Vehicle, Illumination, Traction, Microprocessor based system with labs including Major project

IV. The meeting was ended with vote of thanks to external members of BOS.
