

**Shri G .S. Institute of Technology and Science, Indore**  
**Department of Applied Mathematics and Computational Science**

**Subject:** Minutes of meeting of Department Program Assessment and Quality Improvement Committee (DPAQIC) in DAMCS held on 29 Jan 2021.

The meeting of DPAQIC in the department of Applied Mathematics & Computational Science was held on 29 Jan 2021 at 11.30AM in Online mode. The committee members made discussions and following recommendations were given by DPAQIC as:

1. On the basis of PG students' feedback and the demand of Data Science in present scenario, the members suggested to introduce a new subject "Regression Analysis for Data Science" as an Elective paper in M.Sc. III semester. The introduction to Data Science will help students in their placements as companies are actively looking for data scientists that can extract valuable information from massive amounts of data.
2. A committee of faculty members were formed to look into the curriculum of new subject, its contents, prescribed and reference books.

Following members attended the meeting:

1. Dr. Smita Verma (Chairman)
2. Prof. Anjana Jain (Member)
3. Dr. M. Tanveer (Member)
4. Mr. Chinmay Jain (Member)
5. Dr. Rachna Navalakhe (Member)
6. Dr. Sarla Chouhan (Member)
