Minutes of DPAQIC Meeting held on 14th June, 2023

A Board of Studies (BOS) meeting of Biomedical Engineering Department was held on 14th June, 2023 in the department, to discuss on agenda points. Meeting was held in hybrid mode with all expert members joining for the same through online platform. Following members joined the meeting:

1. Dr. P.P.Bansod, Head BMED

2. Dr. Shekhar Sharma, Professor Dept of Electronics & Telecommunication

3. Dr. A. Datar, Professor Department of E&I , SATI Vidisha

4. Mrs. Ravisha Bansod, Biomedical Engineer, MPPHSCL

5. All faculty Members of the department

The deliberations of the meeting are as under:

1 – Looking at the result analysis, it was observed that post Covid batches require special attention to help build fundamental courses. The slow and fast learners be identified and given extra classes, assignments and peer learning should be encouraged.

2 – Internship and course work when run together makes it difficult for the students to attend to both. It was therefore proposed to revise scheme of final year B. Tech course and allocate separate duration for internship and coursework.

3 – The experts were of the opinion that the present CO/PO mapping is does not need changes.

4 – From the students and result feedback, the experts recommended to run mathematical courses in offline mode only

The meeting ended with a vote of thanks to the chair
