**Department of Computer Engineering**  
**MINUTES OF MEETING OF DEPARTMENTAL PROGRAM ASSESSMENT AND**  
**QUALITY IMPROVEMENT COMMITTEE (DPAQIC)**

Date: 01/07/2025

A meeting of the DPAQIC in Computer Engineering was held on Tuesday, 1<sup>st</sup> July 2025 at 3:30pm in hybrid mode.

Following were present:

1.	Dr. Anuradha Purohit, HoD, Department of Computer Engineering	Chairperson
2.	Mr. V. R. Sathe, IT Consultant, Indore	Member, External Expert
3.	Dr. Namita Mittal, Head, Department of Computer Engineering, MNIT, Jaipur(attended in online mode)	Member, External Expert
4.	Dr. Maya Ingle, Ex- Professor, School of Computer Science, DAVV Indore (attended in online mode)	Member, External Expert
5.	Prof. D.A. Mehta, Professor, Department of Computer Engineering	Member, Senior Professor from the department
6.	Dr. Urjita Thakar, Professor, Department of Computer Engineering	Member, Senior Professor from the department
7.	Dr. Vandan Tewari, Professor, Department of Computer Engineering	Invitee
8.	Mr. Surendra Gupta, Associate Professor, Department of Computer Engineering	Invitee
9.	Mr. Rajesh Dhakad, Associate Professor, Department of Computer Engineering	Invitee
10.	Ms. Neha Mehra, Assistant Professor, Department of Computer Engineering	Invitee

Following members could not attend the meeting: Dr. Arun Parakh, Member, Senior Professor from other department.

The meeting started with presentation of Vision and Mission of the institute and the department. Agenda of the meeting was discussed next. Deliberations are as follows:

**Item-1: Presenting Action Taken Report of Last DPAQIC Meeting held on 29<sup>th</sup> Jan 2025.**

The action taken on the recommendations made by the DPAQIC in the meeting held on 29<sup>th</sup> January 2025 were presented as follows and were well received.

1. Regarding running of both the semesters of B.Tech. in parallel: A committee was formed which after due discussion on all the technical aspects recommended that both the semesters may be run in parallel. Committee recommendations were also approved by Chairman, Academic Council on 1/07/2025.
2. Regarding recruitment of Faculty and staff, discussion with Dean Administration has been done. It was informed that a process to sanction new posts has been initiated. Note regarding sanction of some non-teaching posts for managing labs has been submitted to the Director.

**Item-2: To discuss the performance of department on various criteria in AQAR for NAAC.**

- Results of NPTEL exams of semester B were presented. (Annexure-I point [A]). The members suggested that there should be a policy to pay fees (may be 50%) by the institute for students enrolling in NPTEL courses.
- Placement Data for students for the current year was presented (Annexure-I point [B]) member expressed satisfaction.
- Data of pass out students(of 2024-25)Batch was presented (Annexure-I point [C])
- Information about Research Paper Publications by the faculty and students of the department was presented (Annexure-III).
- Information about Expert Talks/Events Organized by the Department was presented (Annexure-II).
- Students Exit Survey Feedback & Analysis was presented. Based on the feedback of student following suggestions were given by the members:
  - Lab facilities need to be enhanced. Hardware and software infrastructure and internet facility should also be improved.
  - Visualization tools should be used wherever possible in labs.
  - Members suggested to purchase lower end systems and subscribe to higher end computing services on cloud if required.
  - Students should be made more aware about various competitive programming platforms and be encouraged to use such global platforms for coding.
  - It was suggested that all final year students should demonstrate their projects in an exhibition open to all students and teachers. The project may be evaluated by industry people/external experts. In this way students will get good input and junior students will also get motivated to carry out good projects.

**Item-3: To review the development of faculty and Lab Staff in last six months.**

Data regarding Faculty Development Programmes attended (Annexure-IV) and research paper published by the faculty members, was presented; the same was appreciated by the members. It was also informed that three faculty members of the department have registered for Ph.D.

**Item-4: To discuss the issues related to academics and resources in the department.**

Current requirement for faculty, lab staff and computing resources was presented.

- Experts emphasized that the number of faculty in the department must be according to 15:1 SFR.
- Committee also shown serious concern over the deficit of resources. The members suggested that the additional computing resources should be purchased immediately. The student to computer ratio should be 1:1.
- E-waste disposal policy must be in-place and old unusable computers be disposed off according to this policy.
- Committee suggested that skill-based courses may be introduced in the curriculum.
- Mini Projects should be assigned in various subjects. Such projects help in better learning and enhancing the skills of the students.

#### Any other item with the permission of Chair

No other item was discussed.

The meeting concluded with thanks to all the members.

#### Signatures of Members:

1.	Dr. Anuradha Purohit, HoD, Department of Computer Engineering	
2.	Mr. V. R. Sathe, IT Consultant, Indore	
3.	Dr. Namita Mittal, Head, Department of Computer Engineering, MNIT, Jaipur	Attended online
4.	Dr. Maya Ingle, Professor, School of Computer Science, DAVV Indore	Attended online
5.	Prof. D.A. Mehta, Professor, Department of Computer Engineering	
6.	Dr. Urjita Thakar, Professor, Department of Computer Engineering	
7.	Dr. Vandan Tewari, Professor, Department of Computer Engineering	
8.	Mr. Surendra Gupta, Associate Professor, Department of Computer Engineering	
9.	Mr. Rajesh Dhakad, Associate Professor, Department of Computer Engineering	
10.	Ms. Neha Mehra, Assistant Professor, Department of Computer Engineering
