

Department of Electronics & Instrumentation Engineering

Organising an one Day workshop on Digital signal Processing with MATLAB

Join for an Insightful hands-on workshop on Digital signal processing with MATLAB

- Introduction to Digital signal Processing.
- Fundamentals of DSP Algorithms.
- Hand-on Practical session.
- Q&A session.
- Networking opportunity.

EXPERT

Anshuman Prakash

Senior Application Engineer-
MATLAB

About the Speaker:

- Senior Application Engineer-MATLAB.
- ARK Infosolutions Pvt. Limited
