

Department of Electronics and Telecommunication
Action Taken Report
Academic Year 2021-22 Sem A
Session: July-Dec 2021

The students' feedback is very essential to improve the quality of the teaching-learning environment and to look for opportunities to improve overall department performances including teacher-in-classroom engagement with students to bring distinction in teaching and learning. Thus, the overall feedback has been discussed in department meeting & DPAQIC and actions taken are listed below:

1. Prepare a lecture plan to properly cover the entire syllabus in online mode.
2. Incorporate new teaching aids, and assessment methods, and provide relevant resources for online learning to the students.
3. Teachers were encouraged to have more formative assessments of the students.
4. Faculty members were asked to discuss class tests and assignments in the class.
5. To cope up with current scenario faculties were asked to Mentor the students in online mode.
