Department of Electronics and Telecommunication
Action Taken Report
Academic Year 2022-23 Sem A
Session: July-Dec 2022

The students' feedback is very essential to improve the quality of the teaching-learning environment and to look for opportunities to improve overall department performances including teacher-in-classroom engagement with students to bring distinction in teaching and learning. Thus, the overall feedback has been discussed in department meeting & DPAQIC and actions taken are listed below:

1. The faculty covered the syllabus within the allotted period with the practical orientations in offline mode after the covid scenario.

2. It was advised to faculty members to provide detailed feedback on the assessment to students.

3. Assign Lab projects to students in the practical session for their skill development.

4. Formal instructions were circulated to all department faculty regarding the competent authority for addressing the issue of attainment of COs & POs. Teachers were informed to keep a check on the attainment of course outcomes.
