

Department of Electronics and Telecommunication

Action Taken Report

Academic Year 2024-25Sem A

Session: July-Dec 2024

The students' feedback is very essential to improve the quality of the teaching-learning environment and to look for opportunities to improve overall department performances including teacher-in-classroom engagement with students to bring distinction in teaching and learning. Thus, at the end of the semester overall all feedback given by the student and the following action taken are listed below and discussed with the department faculties:

1. Interdisciplinary projects batch with IT Branch is formed.
2. For enhanced skill development Summer Internship on IoT, HAM RADIO ACTIVITY is under preparation.
3. Scheme of III year is approved as per NEP. Implementation will be done subsequently.
4. For enhanced learning short video lectures prepared by faculty members of department are provided to students.
5. To create awareness about placement in core field expert session from alumni working in field of VLSI industry was conducted.
6. Alumni were also requested to mentor a few students in their minor/major projects.
