

Department of Electronics and Telecommunication

Action Taken Report

Academic Year 2024-25Sem B

Session: Jan-May2025

The students' feedback is very essential to improve the quality of the teaching-learning environment and to look for opportunities to improve overall department performances including teacher-in-classroom engagement with students to bring distinction in teaching and learning. Thus, at the end of the semester overall all feedback given by the student and the following action taken are listed below and discussed with the department faculties:

1. In order to enhance technical proficiency under IETE Student forum World Telecommunication Day was organized & process to start IEEE Student Chapter was initiated in the department.
2. For enhanced skill development Project exhibitions were conducted for III year & IV year students under the banner of IETE Sub center Indore.
3. In House Faculty Development program (IFDP) was conducted to create awareness about opportunities in Interdisciplinary activities.
4. PSO 3 was revised.
5. To enhance knowledge base of faculty members & Scholars, an ATAL FDP is approved & scheduled in June-July 2025.
