

DEPARTMENT OF INDUSTRIAL AND PRODUCTION ENGINEERING
SHRI G. S. INSTITUTE OF TECHNOLOGY AND SCIENCE, INDORE
Letter for Industry project work for M. Tech (IEM / Mfg Engg)

IPE/IEM/ME Project/

To,

Sub. M. Tech. Dissertation (Project) for M.E.(IEM) student.

Dear Sir,

As a part of curriculum, our final year students of M Tech Industrial Engineering & Management (IEM) are required to do the dissertation work in collaboration with relevant industrial organization. For this purpose, they wish to do their project at your organization.

Our pursuit of academic excellence would be impossible without the support of esteemed organizations such as yours which compliment student's theoretical knowledge with practical exposure.

It is therefore requested that following student may be considered for industry exposure/Research work at your organization which shall enable him/her to identify the appropriate problem area for his/her final year project work. He/she will be pursuing project work for the academic session 20____-____

Name of the Student				Sign
Enrolment No		Mobile No.		
Email				

We shall be grateful to you for your positive response in this regards.

Thanks in anticipation.

Yours truly

Head

Department of Industrial and Production Engineering

Supervisor, M Tech (IEM)
