The list of participants in the online DPAQIC meeting is attached as Annexure I.

The members discussed and resolved the following :

1. The analysis of feedback from all the stakeholders (Students, Parents, Alumni, Industrialists & Employers) was presented to the members by the chairman. Following suggestions were received from external experts:
 - a. For Business Analytics course, Dr. Manish Sitlani suggested to invite industry professionals working on Data Analytics /R /Python for expert lectures.

- b. For enhancing value based leadership ability, Dr. Jyoti Sharma suggested offline interaction of junior and senior students; Dr. Devendra Verma suggested to include some more subjects of humanities and ethics.
 - c. For improving communication skills the experts suggested to identify weaker students in the first semester itself and arrange workshop for them, provide in-house training, provide language lab sessions. These activities should be continued in later semesters also to make students placement ready.
2. The Vision, Mission, PO's, PEO's and PSO's of DoMS were discussed and approved.
3. The Course Articulation Matrix was discussed and approved.
4. The feedback from experts of DPAQIC on the above points was obtained through Google form. The feedback is enclosed as Annexure II.

The Meeting ended with the vote of thanks to the experts and the chair.

[HEAD, DoMS]
