

# **Department of Applied Physics & Optoelectronics**

## **1.4.2 Feedback process of the Institution may be classified as follows**

- A. Feedback collected, analysed and action taken and feedback available on the website
- B. Feedback collected, analysed and action has been taken.
- C. Feedback collected and analysed.
- D. Feedback collected.
- E. Feedback not collected.

### **Feedback Analysis Report**

The feedback of students, faculty and alumni is significant in the improvement of teaching and learning process of an institution. During the academic session of 2021-23, the department obtained feedback from all the main stakeholders viz., the students, faculty and alumni of the department. In this regard, the Departmental Internal Quality Assurance Cell (DPAQIC) designed the questionnaire separately for students, faculty and alumni. Here, the term student is meant for the student who has completed at least one academic session in the college. The questionnaire mainly covered all the issues relating to the curriculum. For the present survey, total 4 students, 10 faculty members and 5 alumni were selected by using the random sampling. The results obtained from the survey are analyzed as follows:
