As per HSMC credit requirements under AICTE Model Curriculum Vol-I Page no.3, The Academic Council approved the subject – “Values, Humanities and Professional ethics” – which was introduced in II B.Tech. in the session 2018-19 on the recommendation of BOS HSS. However, it was not accommodated by all the branches.

Based on the above discussion, the board had recommended that the subject to be continued in all the branches. However, looking to the specific needs of various engineering disciplines for professional ethics, it may be left to Academic council whether to be taught by the specific branch/BOS or to be continues with department of HSS with fix two credits in tutorial mode.
