CIRCULAR

06/April/2022

08 APR 2022

Institute has received an online subscription of QuillBot software (Academic writing tool). QuillBot is an AI edtech writing platform with online writing and research tools to efficiently research and communicate ideas. The platform consists of productivity-enhancing tools such as Paraphraser, Grammar Checker, Summarizer, Citation Generator, Co-writer, Word counter etc. for academic writing. To activate QuillBot premium access, faculty members are requested to login/sign up with their SGSITS email ID and set up a password.
