

**Title : Introduction cum Workshop on IPR**

**Objective : To provide participants with a foundational understanding and practical skills in Intellectual Property Rights (IPR) essential for innovation and research.**

**Faculty Details:**

Coordinator Name : Dr. Omprakash Tanwar

**Participant's Details**

No. of Participants : 57

Participants : Student and Faculty member of the institute.

Institute : SGSITS, Indore

Date - : 11 to 12 July 2024

**Venue – MBA Seminar Hall, SGSITS, Indore.**

**Event Details:**

The Institution's Innovation Council at Shri Govindram Seksaria Institute of Technology and Science (S.G.S.I.T.S.), Indore, organized an insightful event titled "Introduction to Intellectual Property Rights (IPR): Expert Lecture and Hands-On Workshop," conducted by Mr. Suresh K Paswan, an Associate Professor in the Department of Pharmacy at SGSITS Indore. Held on July 11th and 12th, 2024, the two-day event offered participants an in-depth understanding of various types of Intellectual Property Rights, such as copyrights, geographical indications, patents, and trademarks.

Mr. Paswan delivered an engaging lecture on the first day, enriched with real-world examples that made complex topics more relatable. The session was highly interactive, with Mr. Paswan posing questions to the attendees to ensure active participation. On the second day, participants were assigned the task of drafting patent documents related to their respective fields, providing a practical application of the theoretical knowledge gained. This hands-on exercise deepened their understanding of IPR processes.

**Objective:** To provide participants with a foundational understanding and practical skills in Intellectual Property Rights (IPR) essential for innovation and research.

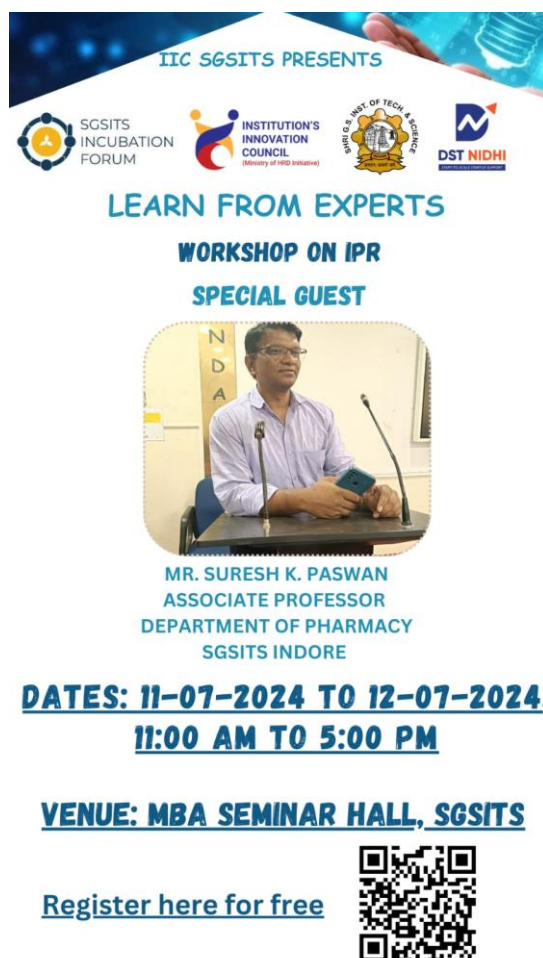

**Key Outcome:**

- Enhanced Understanding of IPR: Participants gained comprehensive knowledge of different types of Intellectual Property Rights, including copyrights, geographical indications, patents, and trademarks.
- Practical Application: The hands-on workshop enabled participants to draft patent documents, reinforcing their theoretical understanding with practical skills.
- Interactive Learning: The engaging lecture, supplemented by interactive questions, ensured active participation and a better grasp of the subject matter.
- Skill Development: Participants, both students and faculty members, developed crucial skills for protecting intellectual property in academic and professional settings.
